

- ELA:
- Read 20-25 min. nightly
- Other ELA (i.e. Wordly Wise, passage/questions, grammar, etc.) (15min.)
- Math:
- 15-20 min. M-Th., occasionally Fri.

Homework

- Homework is expected to be turned in the next day. It counts as a work habits grade.
- Missing work is typically made up during lunch bunch or at the end of the day

Homework Expectations

- 4th grade team creates common assessments, as well as assessments for class specific use. Group and individual practice is given prior to assessment. Re-teaching is done weekly in whole group or small group

Assessments

- Standard Based Grading is used for all assignments. Grades are discussed by grade-level.
- Fourth Grade does not take off points for late assignments. Missing assignments matter in that fewer assignments are available to assess a learning standard.

Grading

- ELA: Guided reading groups to revisit or differentiate skills / lessons.
- Small groups and individuals are pulled during lunch bunch or the end of day re-teaching block for math or ELA as needed, based on classwork and assessments, or student request

Individualized Needs
