

Vocab Challenge

Choose 1 of the 6 activities to complete with the wordlist found on the website. Each day, you will complete 1 activity. By Friday, there should be 4 activities completed.

<p>Write a free verse poem or song using 7 of your vocabulary words, showing you know the meanings of the words. Be creative! Think with emotion! Use humor!</p>	<p>Make 6 "Mr. Stick" drawings with dialogue bubbles or captions. The bubble or caption must correctly use the word. Put details in your drawing so it is clear how your pictures relate to your words.</p>	<p>Create an illustrated dictionary for all 10 of your vocabulary words. Each entry should have the definition and an accompanying picture.</p>
<p>Write dialogue between two people using the 10 vocabulary words. Make sure you include a dialogue tag (try to use words other than said) and punctuate the sentence correctly. Remember that each time a new person speaks, it is a new paragraph and must be indented. Example: "Put your coat on," reminded Mom. "I don't think it is too <i>frigid</i> out," Joe replied.</p>	<p>Create specific descriptions of 7 different characters whose last names are your vocabulary words. List each person's personality, job, and appearance that have something to do with the word's meaning. Example: Mr. <i>Stingy</i> Personality – He does not like to spend money. Job – Accountant Appearance – All of his pants have zippers to keep his money safe.</p>	<p>Write 2 declarative (.), 2 interrogative (?), 2 imperative (a command), and 2 exclamatory (!) sentences with different vocabulary words. Your sentences should give enough clues about the word so that someone could guess the word's meaning using your context clues.</p>
